The absence of any OVHcloud Trademarks from this list does not constitute a waiver of any intellectual property rights that OVHcloud has established in any of them.

If you are a licensee of an OVHcloud Trademark and have been provided with special trademark usage guidelines with your licence agreement, please follow those guidelines. If your licence agreement does not provide usage guidelines, then follow these guidelines.

We are not affiliated with, endorsed or sponsored by OVHcloud or its affiliates.”

Any other use of the OVHcloud Trademarks requires a separate trademark license agreement with OVHcloud. The use of OVHcloud Logos always require the written permission of OVHcloud.
